Heart for God will be used as a holding company for our communities monthly investment to always be able to help new partners get started using the world's finest immune defense products and begin to see their team/company grow

Our patented system will allow each partner to grow almost effortlessly with the team for support and guidance. This will put each new partner into our friend and family program which will begin the culture of giving back to the community. They will also be benefitting from the team growing at a rate of approximately 200-300 new members each month based on some numbers you will see on the financial page that will detail how we multiply monthly

HOW YOU GROW: Project Kingdom builder

Matthew 6:33 "Seek ye first the Kingdom of God, and his righteousness and all these things shall be added unto you.

{The focus of HFG is to help other Kingdom Citizens become great Managers as we grow our culture of turning Followers into Leaders and Leaders into Agents for Change.} DR.Myles

Step 1- Get Pre-enrolled with the My Daily Choice family and begin to educate yourself with all the 5 different brands that you will have under that one company with focus on understanding all the details of how you and your partners get paid from the compensation plan.

- It is very important to spend time choosing your partners. These are new CEO's of their own companies. These individuals have to understand Management and Giving Principles with a Passion and Purpose to grow.
- The people we are looking to add have the Belief that our Character and common Goals are Needed to have a strong foundation.
- People who are open to reprioritizing their lives and Value the Opportunity to own and grow not 1 but 2 home based businesses

Step 2 - Be able to explain and pre-enroll new partners into MDC business

Step 3 - Get enrolled and set up a cash wallet in the back office so you can enroll your new partners. Step4- Get enrolled and start with all the Immunotec training with emphasis on the comp.plan because it also has 7 ways to get paid as a company leader.

HOW YOU GET PAID

The key to any business is volume. The bigger your team, the bigger your business will be.

The more people you have on your team with autoship, the greater your orders will be, the more money your companies will make.

- All members will be paid from company B, My Daily Choice, which will grow consistently.
- Every partner will also receive auto-ship health and nutrition products on a monthly basis.
(Auto-ship will be covered by the 6 business partners product orders placed underneath every person coming into HFG as a new partner. You will be paid 25% on your 6 new partners' first order as a jump start one week after we get them into the program study MDC comp. Plan to understand in more detail the 8 different ways we can get paid
- All proceeds coming from Company A, Immunocal, will be donated back to Heart for God to enable our Program to be free for all future partners and to provide our community with a tax write off while recirculating our profit back for a minimum of one year This will allow us to grow our companies together and help more of our brothers and sisters understand the Kingdom mindset as we stay strong in our management of the current and future funds!

OUR INVESTMENT

This Program is Free to enter and that is very intentional because I would like to see more families have the opportunity to prosper in their Health first with our Financial situations taking a backseat because there is not enough emphasis on mental health. As a Man Thinks in his heart/mind so is He, that statement addresses the reason why I am so committed to helping, We see what is going on around the world and from my perspective just a lot of Fear and Stress which are at an all time high, It is said that the the first word that JESUS spoke was REPENT which only means change the way you THINK. H.F.G. is making a \$500.00 investment into People who want the opportunity to build A business while taking care of your mind and body better thinking with the mind of a seeker who has some keys and the power of unlocking heaven with the understanding of how prayer works.

The real story is in how we multiply over the next 6 months when everyone is doing their part

Let me show you how we invest in you and what you could [realistically] achieve.

Our investment: - Training videos, Time, Marketing, Education.
